## “Making Positive Change Possible”

### Who we are:

Step by Step is a group of tenants from across the city that meets regularly. Our aim is to help make tenant's lives better, and to make CHH a better place to live. We're connectors and conduits in making positive change possible.

### Our Mission:

Help tenants get involved in the activities that affect their quality of life.  
Help tenants influence the decisions that affect their quality of life.  
Help tenants address the key issues raised through tenant engagement.

### Our Vision:

Work in a positive, inclusive, mutually beneficial partnership with CHH.  
Bring forward tenant-centred ideas and concerns.  
Help create and execute action plans.  
Actively cultivate teamwork, trust and capacity within the group, with CHH, and with the wider tenant body.  
Learn from each other; to grow and change as the needs of our communities change.
