

## **City Housing Hamilton Resident Have Your Say Second-Hand Smoke and Smoke-Free Policy Options**

The purpose of this anonymous and confidential survey is to:

- learn about your experience as a CityHousing (CHH) resident with smoking and second-hand smoke (e.g. tobacco, cannabis) in your home
- assess your level of support for having the choice to live in a smoke-free environment (e.g. tobacco, cannabis)

Anonymous means you will not be identified.

Confidential means your individual responses will not be shared.

Please have your say; what you tell us will help us as we consider making changes to policies about smoking in CHH buildings and properties.

Any future policy would not:

- result in residents being evicted for being smokers
- force anyone to quit smoking
- prevent smokers from renting a residence from CHH
